

Continuing Education Units Participation Verification Form

Dear Close Up Teacher:

To earn Continuing Education Units (CEUs) from the Close Up Foundation, you must attend daily Teacher Program elements and get signatures from the Teacher Program Specialists using the correct Participation Verification Form for your program (see attached forms).

Teacher program elements include:

- Orientations and dinner Sunday night
- Monday morning Teacher Breakfast
- All-day programs on Monday and Tuesday
- All scheduled student-teacher meetings
- Capitol Hill day with your students (high school only)
- All-day program on Thursday for HS teachers (or Wed on Williamsburg weeks)

The TPS at your hotel will verify your participation in the Close Up Foundation Teacher Program at your Teacher Reflection Workshop. Please have your Participation Verification Form filled out with the names of the appropriate tracks/electives before this time.

Close Up typically grants one CEU for every ten contact hours on program. However, different schools and districts often have their own rules concerning how CEUs are accepted. Close Up cannot guarantee that your particular school or district will recognize the professional development offered by our Teacher Program.
